FOR ANY QUESTIONS CONCERNING THIS NOTIFICATION:

Contact your local ON Semiconductor Sales Office or Theresa McCarley <theresa.mccarley@onsemi.com>, Lea Bonita <lea.bonita@onsemi.com>.

DESCRIPTION AND PURPOSE:

On Semiconductor has been informed by KEC Corporation, our Subcontractor vendor for the listed products in this notification, that they no longer offer Subcontractor services to On Semiconductor.

The discontinued support is related to a change of focus of the business of KEC Corporation, and is not an event within ON Semiconductor control.

Their business model is changing such that their full FAB capacity is needed to support internal KEC Corporation's Products.

Despite several discussions between the management team of On Semiconductor and KEC Corporation this decision is final.

As we value our business relationship we would like to work with you to find a suitable solution for our mutual business on short, mid and long term.

Although we realize the importance of the long term availability of our products, we see currently no other option than to offer a last time buy (LTB) opportunity for the products.
