## PRODUCT TERMINATION NOTIFICATION

**PTN:** PTN211303A

**Date:** April 21, 2021

**Subject:** Addendum to PTN211303 - January 2021 Product Obsolescence Notification for Memory Solution products

### **Product Obsolescence Information:**

The purpose of this addendum is to update the affected parts list communicated in the initial PTN211303. Refer to the “Notes” below for further details.

Cypress announces the obsolescence of select products from its portfolio resulting from an internal review and business decision to discontinue support. The affected part numbers are listed in the attached file. Last Time Buy (LTB) and Last Time Ship (LTS) dates are provided for each product. The LTB date denotes the last day on which orders will be accepted; these orders may be scheduled for shipment through the LTS date provided. “NCNR Date” provided in attached list of affected parts is the date that the part will shift to Non-Cancellable; Non-Returnable (NCNR) terms and conditions. If the table denotes “NCNR”, that means part is already NCNR.

The part listed as the “Drop-In Replacement Part” will perform the same task but with improved or revised technology; or manufactured at a different site. The part listed as the “Next Best Alternative Part” is the recommended replacement that may have some features or functions that are different and may require board re-design.

Note 1: Updated LTB and LTS dates on parts in the attached list identified with “Note 1”.

Note 2: Parts in the attached list identified with “Note 2” are no longer under EOL and the Last Time Buy and Last Time Ship fields are updated as “Not Applicable”

**Part Numbers Affected: 76**

Please see the attached file for a list of part numbers, Last Time Buy Dates and Last Time Ship Dates.

**Approximate Implementation Date:**
