

## PCN Notice

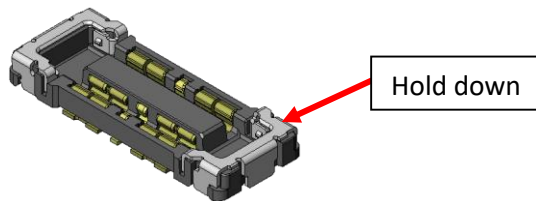

JAE will change the hold down material of the WP10 series receptacle connectors due to production discontinuation of current material. Details are below.

### 1. Applied Items:

| Part Number          |
|----------------------|
| WP10-S002VA10-R15000 |
| WP10-S004VA10-R15000 |

### 2. Detail of Changes:

Hold down base material change

\*No change in appearance or connector specification. No changes or updates will be made to the drawing due to this material change.

\*Detailed evaluation data is available.

### 3. Timing of Change:

Production of current material is planned until March 2019. Running change of materials is planned for April 2019, but actual date may be impacted by the utilization of current material.

\*Order timing and shipment timing will vary. Please communicate with your JAE account manager for a complete schedule.

If you have any questions regarding this matter, please contact your JAE account manager.

Thank you for your cooperation.
